

Returning to Loch Primary School During Covid-19 Social Story

We have done a
good job of social
distancing and
staying at home.

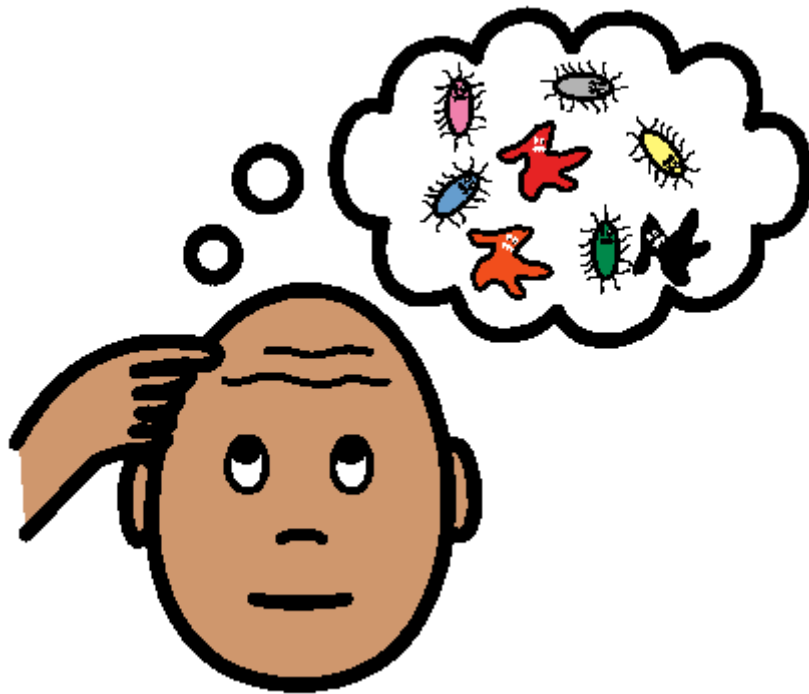

Less people are
getting unwell with
the Coronavirus.

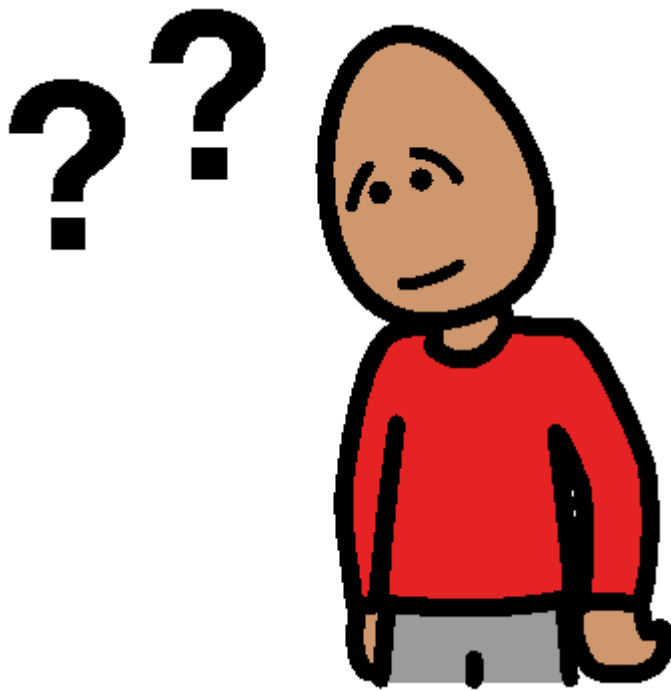

Schools are now
opening. We are so
glad you are coming
back in August!

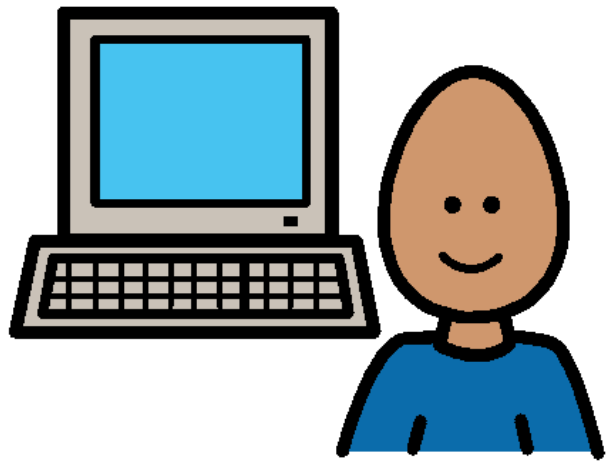

We need to be
careful so that we
don't spread germs
at school.

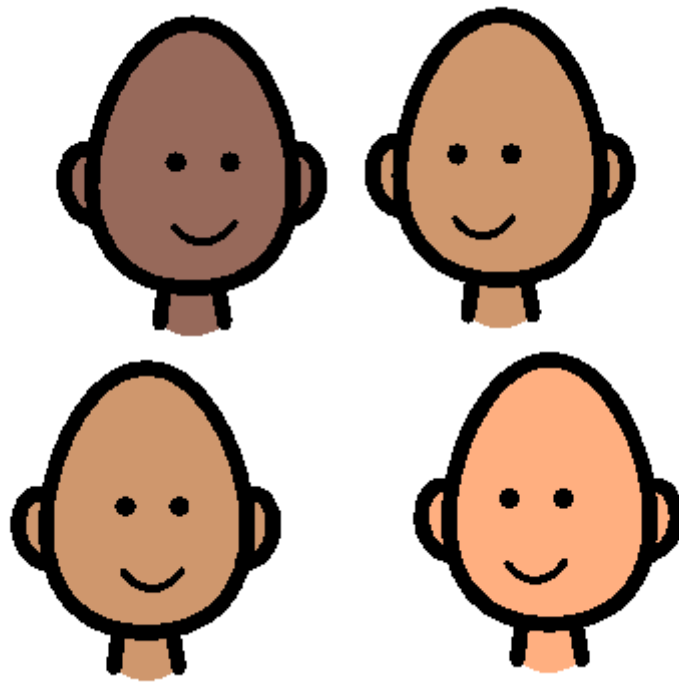

To keep everyone
safe, things will be
different at school.

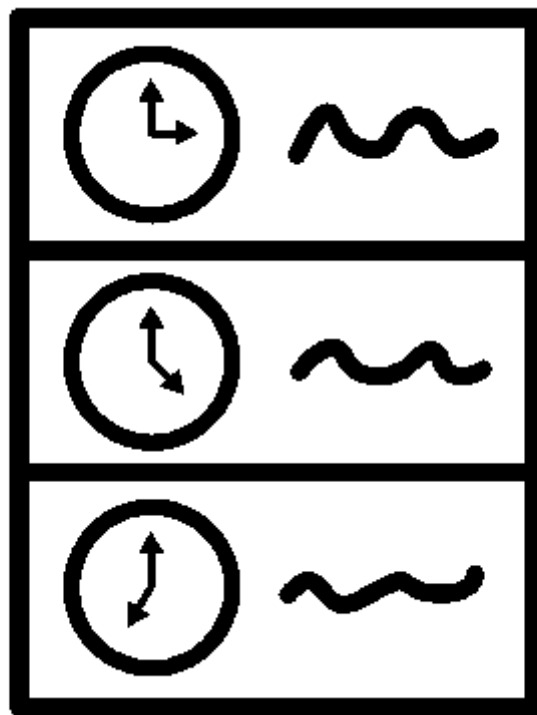

Learning will take
place at school and
online.

Pupils will come to
school in smaller
groups.

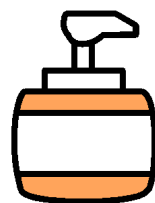

Most pupils who
come to school will
attend part-time.

Parents might be asked to stay out of the building to limit the amount of people inside.

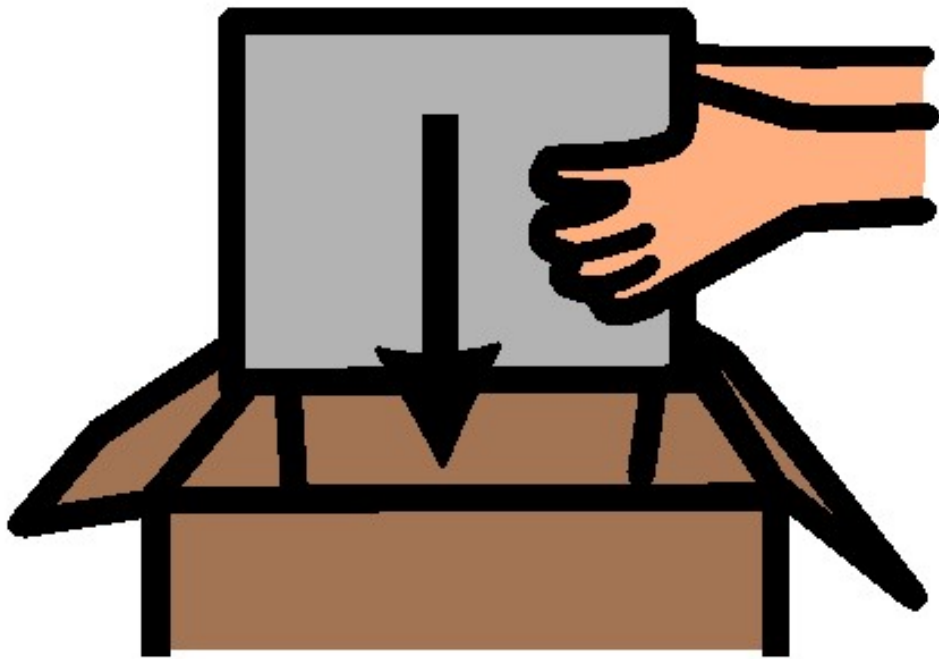

Everyone that enters the school needs to wash their hands with soap for 20 seconds or use hand sanitiser.

The classrooms will
look different.

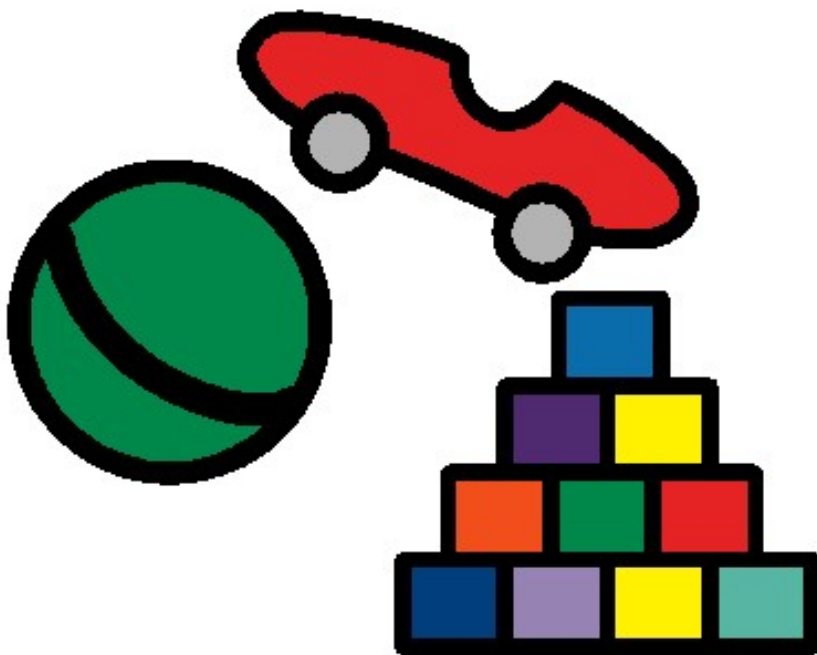

Lots of our
resources will be
put away.

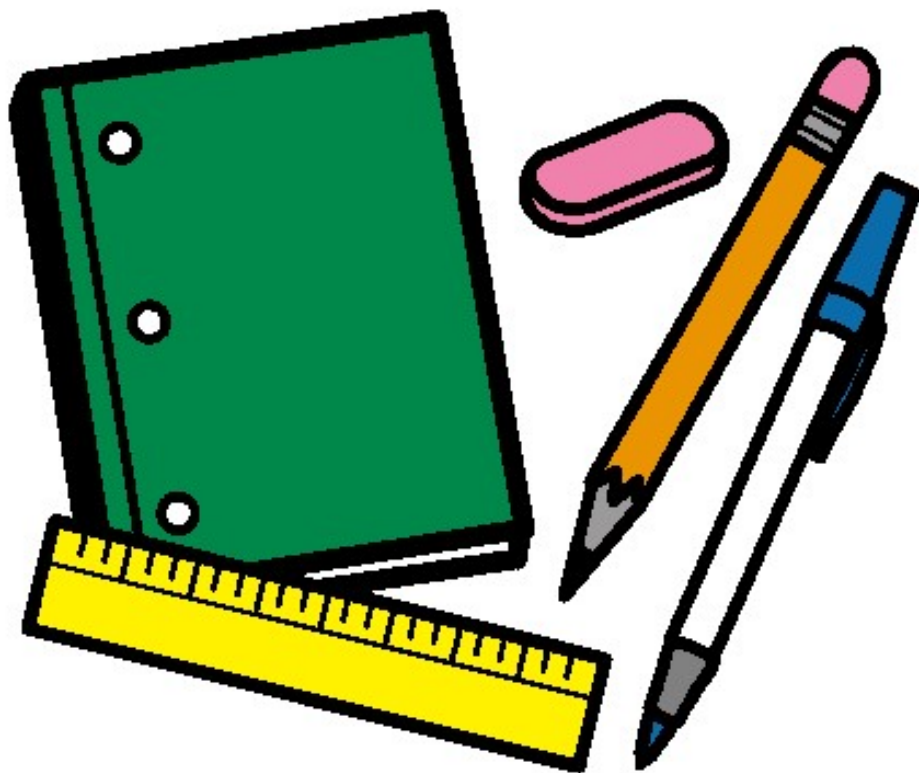

We will not be able
to share books at
school.

We will not be able
to share toys at
school.

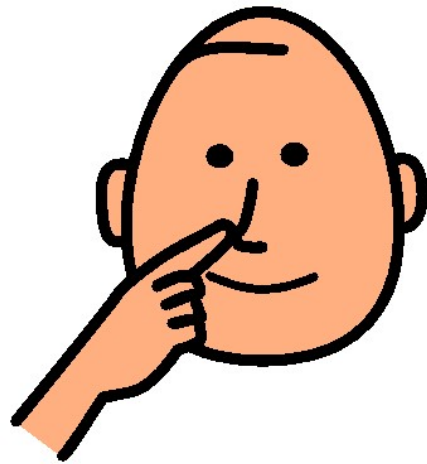

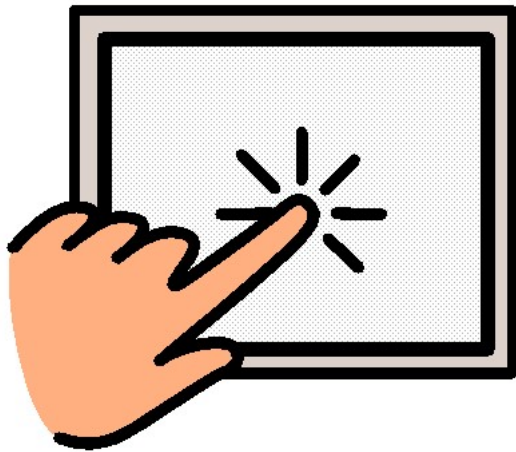

We will not be able
to share stationary
like pens and
pencils at school.

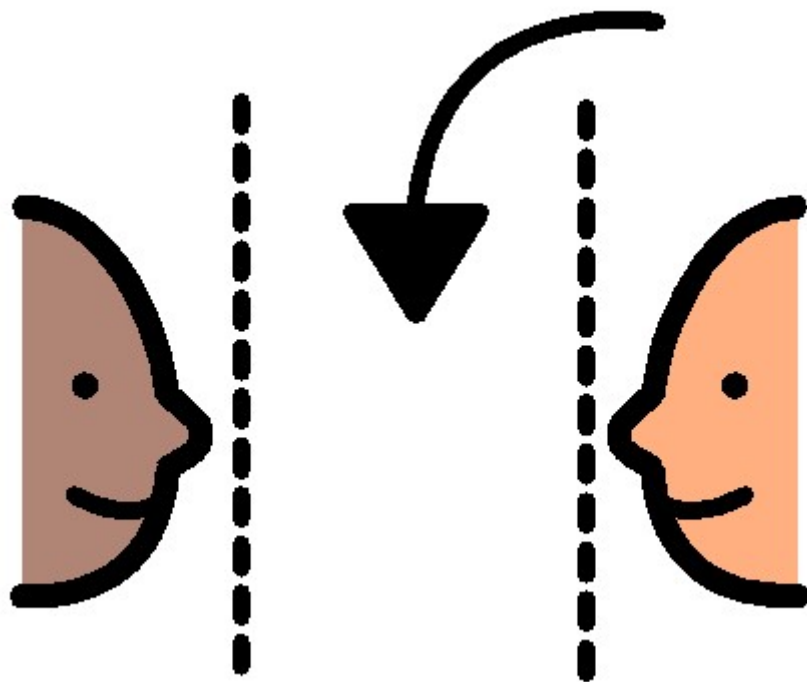

We will not be able
to share P.E.
equipment at
school.

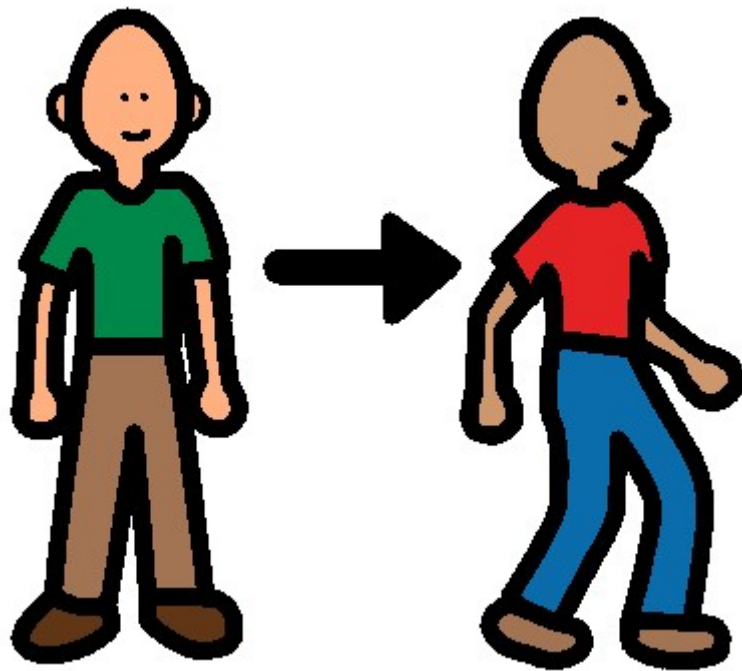

We need to limit
the things we touch
so we don't spread
germs.

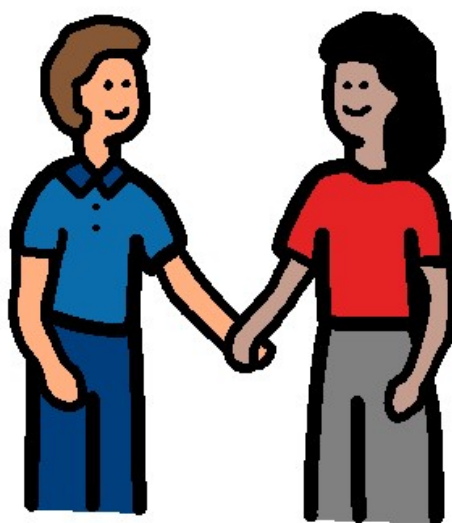

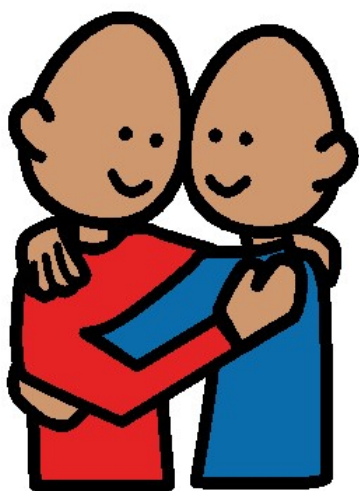

We also need to
stay a safe distance
from others at
school.

We will have to
leave a bigger space
between one
another when lining
up.

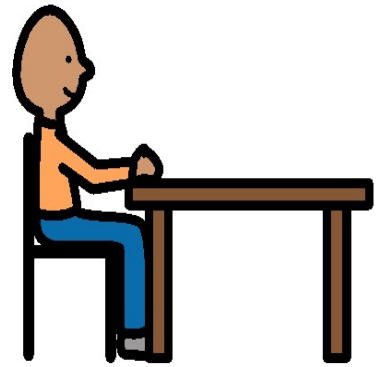

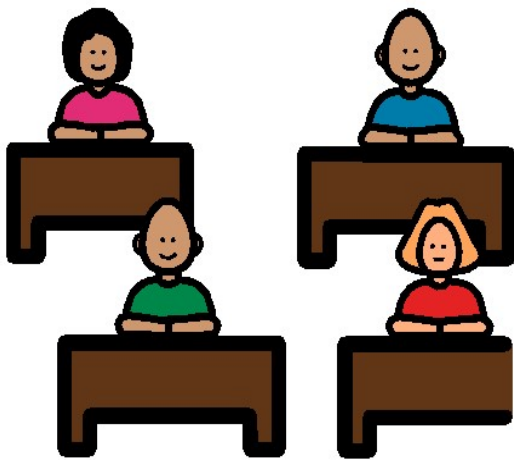

We will not be able
to hold hands or
hug one another.

We can not sit next
to each other on
the carpet.

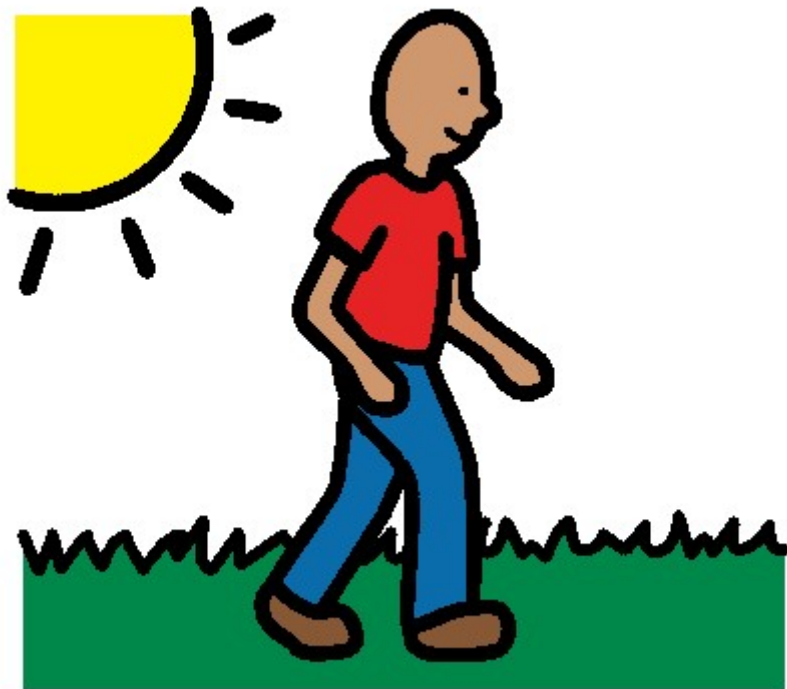

Our desks will be
spread out instead
of in groups.

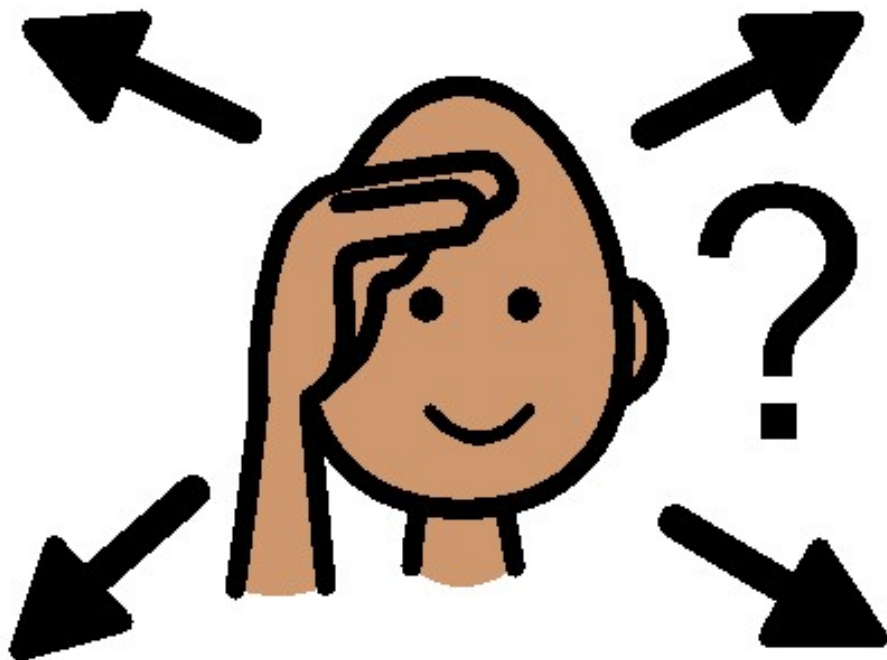

Pupils will have to
complete their
tasks at their own
desks.

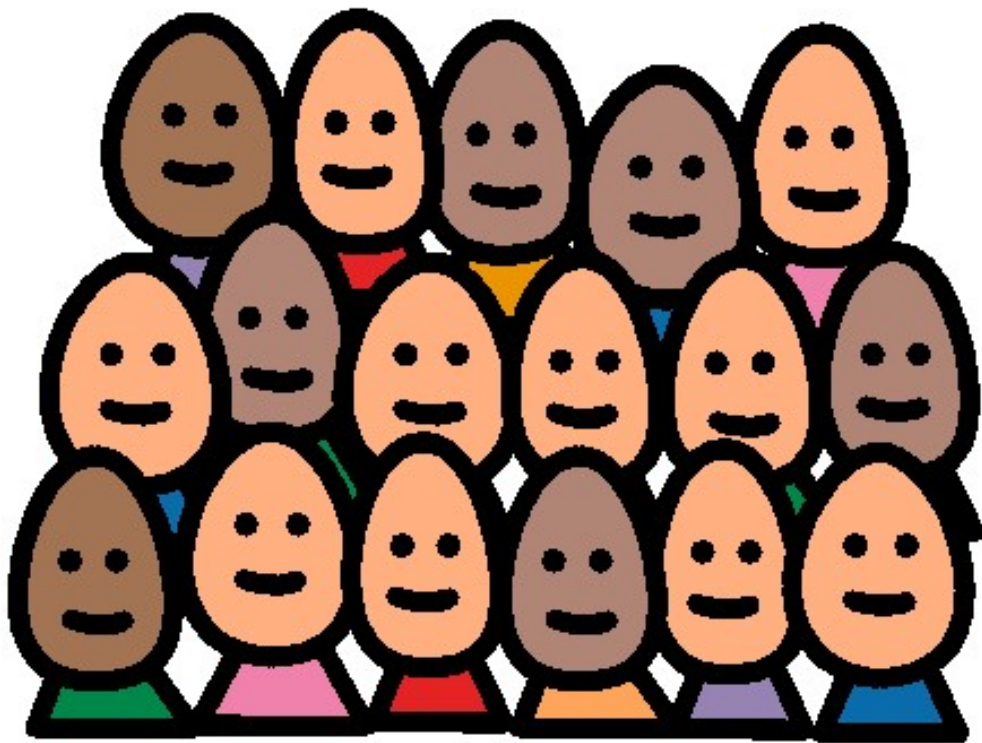

Pupils will need to
keep their distance
from others
outside.

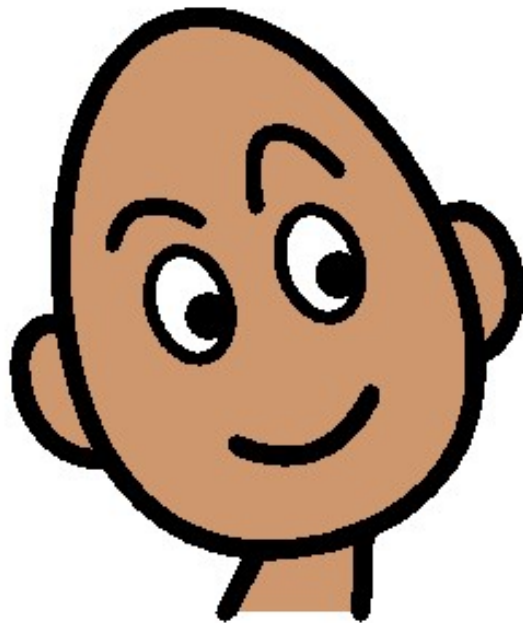

Friends from other
classes may not be
out at the same
time.

There will not be
large gatherings at
school like
assemblies.

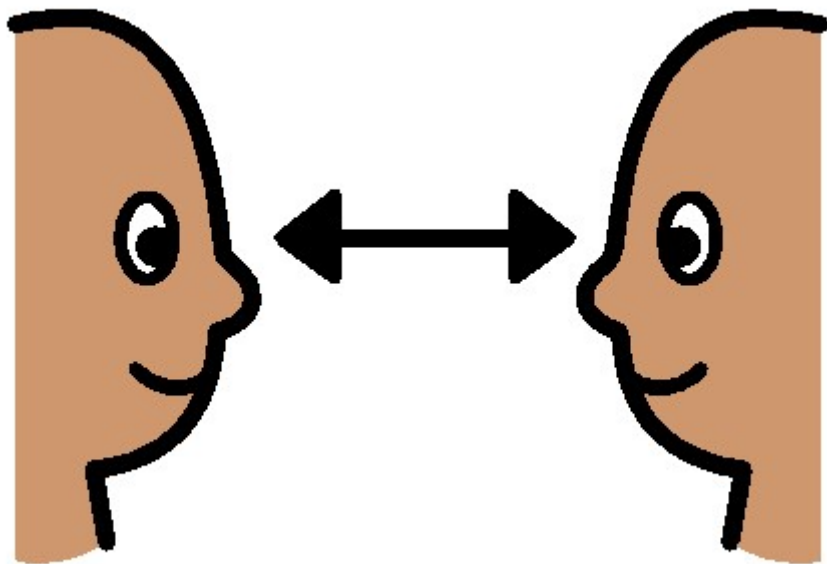

There are many
things we will be
able to do at school!

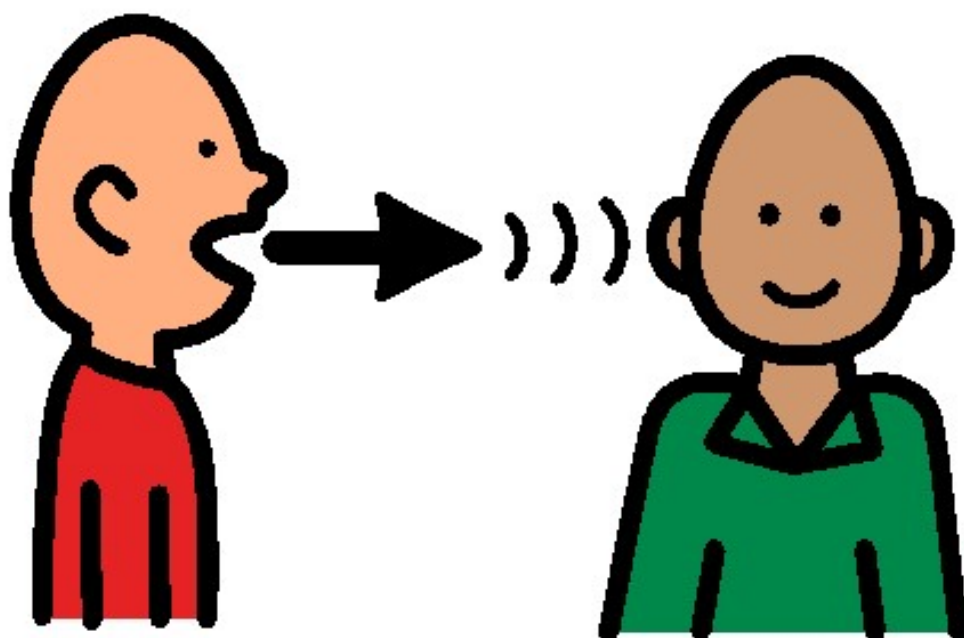

It will be lovely to
be back in school
again.

It will be great to
see some familiar
faces from a
distance.

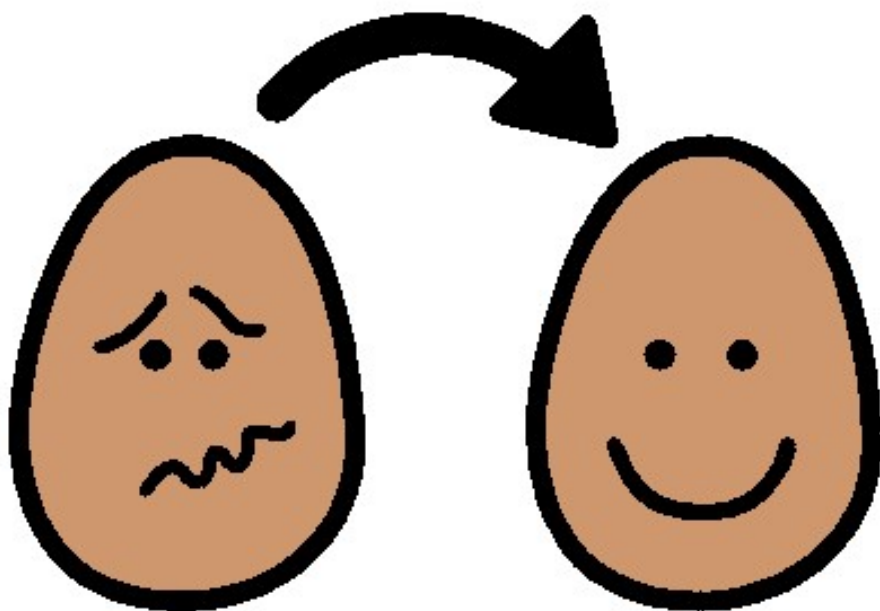

It will feel great to
socialise with
others from a
distance.

It will feel good to
learn at school.

These changes at
school are not
forever, just for a
while.

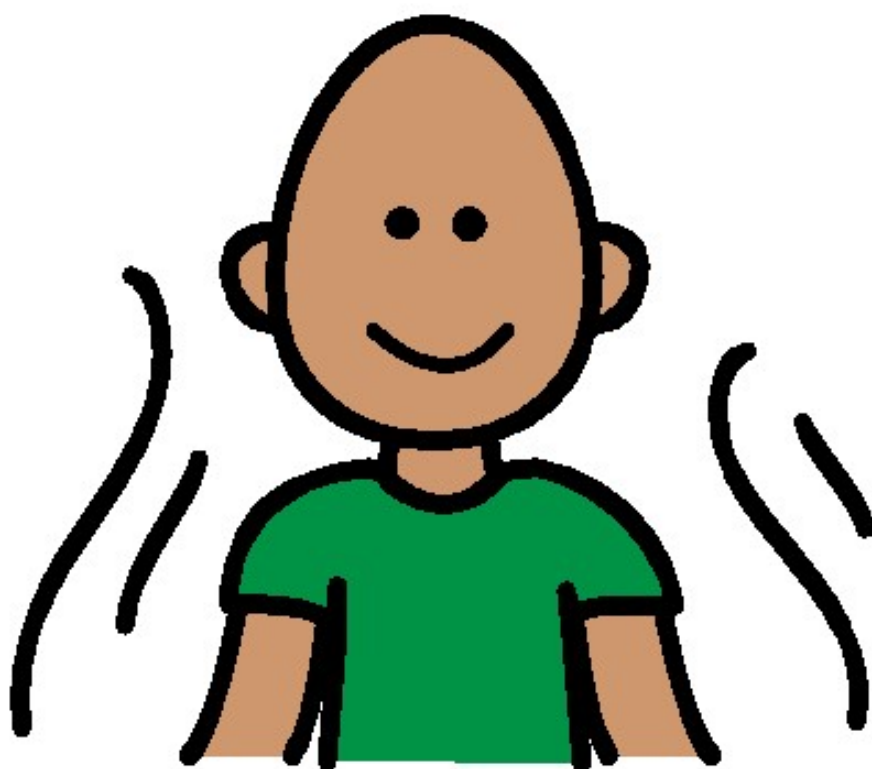

The cleaners and
janitor will help
keep our school
safe.

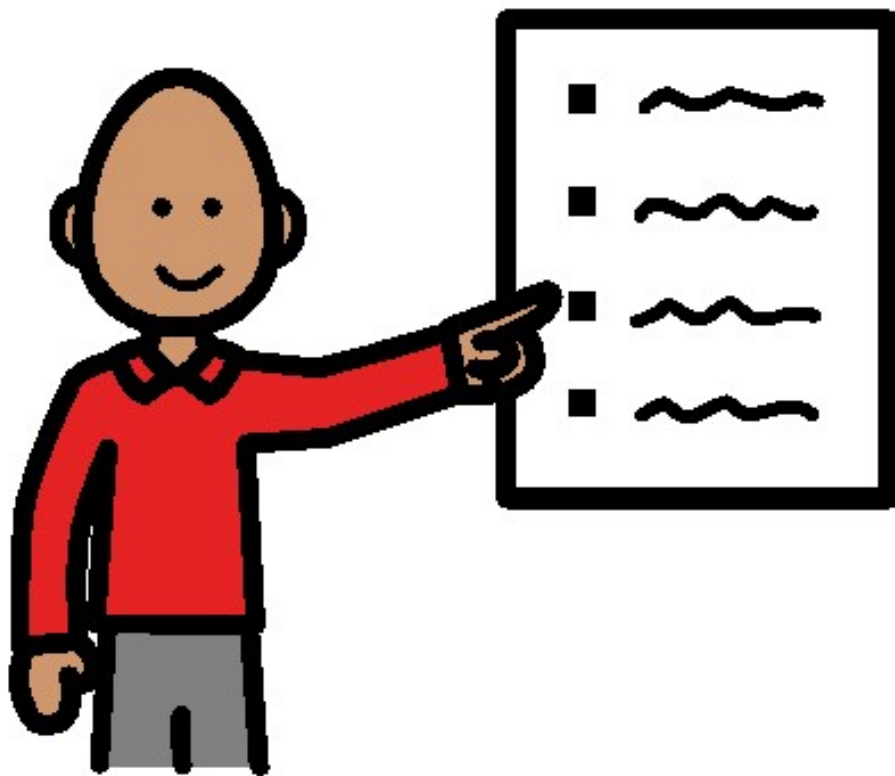

The teachers will
help everyone stay
safe.

When it is time, life
will be more
relaxed at school
and return to
normal.

For now, everyone
needs to follow the
safety rules.

Being careful at
school will keep
everyone happy and
healthy.
