

Using the Google Meet App for Home Learning

Loch Primary School

January 2021

Signing in to the Meet app

If you are not accessing your child's Google Classroom through a desktop/ laptop computer or Chromebook, you may need to download the Meet app from your app store to join Google Meet sessions with your class teacher. If you are accessing through a desktop/ laptop computer, Meet will work best through the Google Chrome browser.

When you download the app you will be asked to sign in, please use your child's username that has the @sl.glow.scot ending and their normal password. You will then be redirected to the Glow homepage to complete your sign in, use the @glow.sch.uk email ending then and once again input the password.

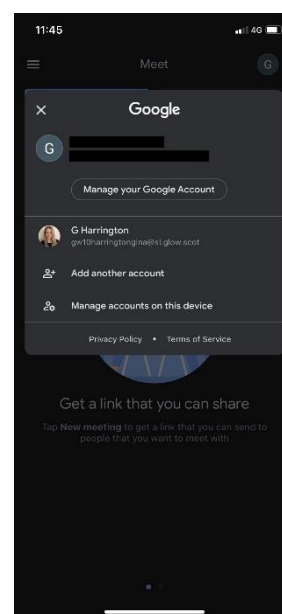

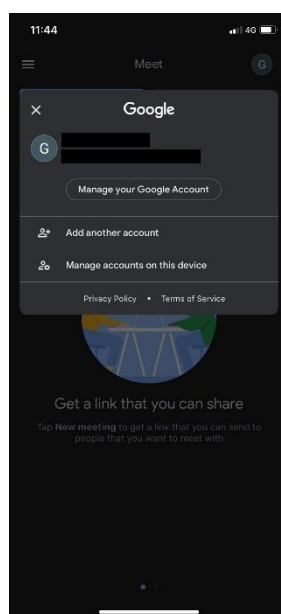

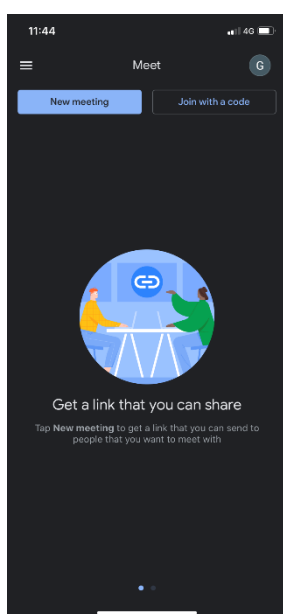

Please ensure you are not signed in using your personal Google account, you will only be granted entry to a Meet session if it is your child's South Lanarkshire account that is used.

Adding your child's account to your device

Open the Meet app and click the circle icon in the top right-hand corner.

If it is not your child's school account showing, select 'Manage your Google Account'.

Once you have logged into your child's account, first with their @sl.glow.scot email and then with their @glow.sch.uk one when redirected to the Glow sign in page, click the circular icon again and ensure you have selected their account to join a Meet.

Joining a Meet session

1. To join a Meet using the Meet app, click 'Join a meeting'.
2. When asked for the meeting nickname or code, type in the final part of the Meet link in the banner of your child's Google Classroom and this will allow you to join the Meet set up by the class teacher. If you are using the Google Classroom app, click the Meet link in the banner at the top of their Classroom and it should automatically open in the Meet app.
Only join the link at the time stated and not before. If the class teacher has not already joined, you will not be allowed in to the Meet.

Primary 1a - fhggav2dzm

Primary 1b - anufuahxqc

Primary 2 - gtb7xgrznb

Primary 2/3 - ei7f6k6cam
